

We are an experienced, traditional and owner-managed company in the middle of Germany. Development and production of a wide range of bicycles for all target groups is our mission and commitment to urban mobility.

To actively support our production department, we are looking for you as

Production staff (m/f/d) in our bike production

Job description

You assemble bicycles at our production line and take over the following activities:

- Mounting of component parts
- Joining of loose elements
- Positioning and adjustment work

Your profile

- Completed technical apprenticeship is beneficial, but not conditional
- Technical skills and good technical understanding are required
- Experience in production work
- Motivated and accurate way of working
- Readiness for shift work
- Teamwork and willingness to learn

We offer

- Permanent employment in a successfully growing company
- A future-oriented workplace with adequate compensation
- A demanding and varied job description
- Flat hierarchies, fast decision-making
- Individual development opportunities
- A product that is eco-friendly, climate-friendly and health-promoting
- Employee discount on our bicycles

If you are interested, please send your complete and significant application papers (pdf-files) stating your earliest possible start date by e-mail to
